

Legacy Plaza

at VIRGINIA INTERNATIONAL UNIVERSITY

Celebrate VIU's 20-year history and the impact it's had on your life

Since 1998, Virginia International University has remained true to the belief that graduating scholars of moral, intellectual, and professional excellence will not only make a better life for themselves and their families, but who will lead the way to a better world for everyone.

VIU invites you to actively participate in its future, and make your message a permanent part of history. By buying an engraved legacy brick, you will leave a lifetime gift and help ensure that Virginia International University remains a world-class institution committed to higher education with a global perspective. Show your appreciation for your time here, remember a family member, celebrate a milestone, or recognize someone special in your life with a beautifully etched commemorative brick in the Legacy Plaza, to be enjoyed by the VIU community for years to come.

Each donor will receive a receipt, recognition certificate and card that identifies the location of the brick once it is placed. All donations are tax-deductible and will benefit the VIU Annual Fund.
